Dear Marian,

**Youtube EP Summit Video**
If the AIACC used its own version of a Chinese Zodiac Calendar, we may be tempted to say 2014 is the Year of the Emerging Professional. [Watch this summary](https://ui.constantcontact.com/templates/previewer.jsp?format=html&age...) and see why.
Emerging Professionals: Inconvenient Truths

More about the Emerging Professional and why Leadership Training is an essential part of how AIA grows and how EP members grow within the organization.
