December 4, 2013

2014 Council Awards

It's that time of year again. Firms interested in entering should click here.

Design Awards Recap

AIACC Video Library
This reception is always a good an inspiring time, no? Click here for pictures and details of the 2013 shindig.

Need a resource video? We may be of assistance . . .

Most popular article(s) of 2013

As we begin our decent from this year and land into the next, it’s important to take a moment and review what has been important, like this tidbit.

Giving Tuesday

Interested in participating in Giving Tuesday even though it’s Wednesday? Click here to find out how.

Energy Corner

With the adoption of the AIACC Energy Policy, legislature passed and the business of design changing to accommodate the difficult and all-encompassing task of Sustainability, we thought it important to create a site as a resource for these issues. Updated regularly with insights, new information, and facts and figures, this will serve as your go-to resource for all things Energy-related. Click here to see what all the buzz is about.
